

PRODUCT INFORMATION

M-P SEALANT & CONDITIONER

CODE	C1-05
PAGE	1 of 1
DATE	JAN 2008

FUNCTION & APPLICATION: A heavy-duty sealant to repair leaks in radiators, blocks, and cylinder heads. Insures positive protection against head gasket and cylinder head seepage. Lubricates water pump. Acid neutralizer prevents lime and scale deposits. Inhibits against rust formation and corrosion.

OUTSTANDING PROPERTIES: One application seals leaks, lubricates water pumps, neutralizes coolant acids, and inhibits cooling system from future rust formation and corrosion. Conforms to U. S. Government MIL Spec.C-13713.

USE DIRECTIONS: Shake contents well. **Caution: Use extreme care when removing cap from hot radiator.** With engine at normal operating temperature, add entire contents to radiator. Replace radiator cap and run engine for at least 15 minutes to seal leaks.

PRODUCT LIMITATIONS: This product is not intended for the solution of major mechanical problems or the sealing of large holes.

PRECAUTIONS: Contains Sodium Borate Decahydrate (CAS# 1303-96-4). May be harmful if swallowed. Eye and skin irritant. **FIRST AID:** If swallowed, drink two glasses of water. Call Poison Control Center, Physician, or Hospital Emergency Room Immediately. In case of eye contact, flush thoroughly with water for 15 minutes while lifting eyelids and get prompt medical attention. Consult a physician if adverse effects persist. For skin contact, wash thoroughly with soap and water. If irritation persists, get prompt medical attention. Remove contaminated clothing and launder before re-use. For ingestion: Do not induce vomiting. Call Poison Control Center, Physician or Hospital Emergency Room Immediately.

STORAGE & HANDLING: Store in a cool place below 120°F away from acids, ignition sources and oxidizing agents. Wearing of contact lenses while working with this product is inadvisable. Keep away from children.

DISPOSAL: Dispose of container, residue, and excess product in accordance with all federal, state, and local laws and regulations.

CONTAINER DESCRIPTION: C1-05 is packaged in 5 1/2-ounce plastic bottle.
